WHAT WE WANT

INTEGRATE2EU (DEVELOPING INNOVATIVE APPROACHES FOR THE SOCIAL INTEGRATION OF FEMALE MIGRANTS) PROJECT AIMS TO IMPROVE THE SOCIAL INCLUSION OF IMMIGRANT WOMEN THROUGH THE DEVELOPMENT AND IMPROVEMENT OF THEIR COMPETENCES (SOCIAL, CULTURAL, VALUES, ORGANIZATIONAL, EDUCATIONAL, ETC.).

Our goal

To increase the **social integration of immigrant women**, Integrate2EU aims to strengthen the participation of women immigrants in language and vocational courses within adult schools, on the other hand, to create a migrant centred approach in these schools that takes into account the needs, sensitivities and sociocultural characteristics of immigrant women.

Our results

Integrate2EU project will design a **Digital Tools for Social and Occupational Integration of Female Migrants** and an **Alternate Intercultural Communication Guidebook for Trainers who Teach Migrants**.
